## Elizabeth Moyo

Elizabeth is one of the regular workers at the Rugare orphan feeding center. In her role at Rugare she is one of the team who are responsible for day to day activities at the center. Elizabeth helps in the daily feeding program for over 200 orphans. She loves to play with them and teach them.

On Saturdays she spends time teaching the teenage children. She is very concerned for the teenage children. They have very little. No decent clothes and no personal belongings. She is con-

cerned for their self esteem and influences on them away from the center. Her desire is to see them have better clothes and also for books and Bibles.

Her responsibilities also include visiting caregiver homes to ensure that the children have adequate care away from the center. Elizabeth is responsible for 20 children in 10 different homes. She visits each home several times a week. Elizabeth has a real passion for children and has taken training to teach children. Elizabeth has also applied to take nurses training but has never heard back from the university. She is very concerned that there are no jobs for trained workers anyway. She really wants to improve and use her training to help her community.

Elizabeth is from a family of 5. Her parents have passed away. She is married to Gilbert and they have one son, Leroy who is 5

## Zimbabwe Projects 2009

The next projects at Musana include finishing the Pastor/Caretaker home and then putting in place a water tower to service the toilets building. In addition, since the team was in Zimbabwe in March a partnership with the Harare and Aldergrove Rotary Clubs have received a proposal to provide a well and a cooking shelter for the Mbare Feeding Centre. These are new contacts that have come through networking with other people who care for orphans and widows.

**Orphan Care:** As of May 1st we were able to forward \$7439 to help the Zimbabwe church feed and care for impoverished children in six Orphan centres. We help them resource children in Rugare, Mbare, Musana, Kadoma, Wedza & Bulawayo. This cares for at least 232 orphans. Thank you. We are well on our way to helping 400 orphans a month by August of 2009. You can help by recruiting new partners!

**Please continue to help us increase our partners through distribution of the video and pamphlet.**
